

CALIFORNIA PEPSI YOUTH CHAMPIONSHIPS

SAVE THE DATES FOR 2024

Due to the new mandates from USBC SMART, we must shift our tournament dates earlier for the 2023-24 season so that we can award our unassigned SMART funds to this event and not lose them after February 15, 2024.

League level qualifying will return with one window held in October 2023. All current 2023-24 USBC certified youth entered in California youth leagues are eligible to qualify. Based on a ratio, youth will qualify to the District and State Finals depending on their age division. All qualifying is based on scratch scores. More information to come with the tournament packets in September 2023.
